

HUMAN RESOURCE DEVELOPMENT COUNCIL: 15 AUGUST 2014

Subject: Worker Education Technical Task Team (WE TTT)

1. PURPOSE

- 1.1. To present the final recommendations of the research and the work done by the Worker Education Technical Task Team.

2. BACKGROUND

- 2.1. The Worker Education Technical Task Team was tasked with the development of a clear and collective framework on an integrated, accredited and non-accredited worker education and training system in South Africa, in order to ensure the vision of capable and skilled workers in a just society free from poverty, inequality and unemployment.
- 2.2. After intensive consultation and engagement with relevant role players especially organised labour, the Technical Task Team will be :
 - 2.2.1. presenting their proposed framework, its roll out and related cost of implementation.

3. WHAT IS REQUIRED FROM COUNCIL

- 3.1. To engage and approve the Worker Education Technical Task Team recommendations and support the proposed way forward.
